To whom it may concern,

My name is Dennis MacDonald and I am the Director of Professional Services at the Realtors Association of the Palm Beaches. It is my absolute pleasure to write a letter of recommendation for Barbara Wolff.

I reached out to Barbara in November of 2012 to instruct our SRES course. She was extremely prompt in all of her replies both by email and over the phone. Barbara was even kind enough to switch teaching dates to accommodate an unforeseen scheduling conflict that arose.

After monitoring Barbara's presentation it was easy to see her high level of enthusiasm, passion, and inexhaustible knowledge of the content. She even went above and beyond her contractual duties, staying nearly an addition hour to ensure that each student had a complete understanding before they went home. I received numerous complements from the students on Barbara's teaching ability and her knack for making a difficult subject much easier to comprehend. Barbara created an instant fan club and we have had her back for a number of other designation and certification classes.

Barbara Wolff is easily one of the best overall instructors I have had the enjoyment of working with. She will be an asset to any organization with whom she is employed. In hiring Ms. Wolff you will be adding an insightful and motivated educator who cares deeply about her students learning experience and has a vast knowledge of the entire Real Estate industry.

It is for these reasons that it is my honor to recommend Barbara Wolff. If you have any questions, please feel free to contact me at 561-727-2741 or via email at [dmacdonald@rapb.com](mailto:dmacdonald@rapb.com)
